BUILD IT, FIX IT, SAVE IT

Here's what our elected officials can do TODAY:

-  Keep the Promise -- use Battery Park City money to build and preserve affordable housing
-  Guarantee housing for low and moderate-income people in neighborhoods being rezoned.
-  Win back New York City's right to determine our own rent laws
-  Provide permanent housing for homeless people living with AIDS.
-  Support legislation to strengthen tenants rights to a *healthy home* through better inspections and tougher penalties.

Vivienda aquí y ahora!

Exijamos que los líderes electos garanticen vivienda para todos los neoyorquinos

CONSTRÚYALO, REPÁRELO, RESCÁTELO

Esto es lo que nuestros funcionarios electos pueden hacer HOY:

Cumplir la promesa-- usar el dinero de Battery Park para construir y conservar viviendas asequibles para todos.

Garantizar viviendas para la gente de ingresos bajos y moderados en vecindarios que están siendo reasignados.

Recuperar el derecho de la ciudad de Nueva York a determinar nuestras propias leyes de renta.

Proporcionar vivienda permanente a las personas sin hogar que viven con SIDA.

Apoyar la legislación para fortalecer los derechos de los inquilinos a viviendas sanas por medio de mejores inspecciones y penas más severas.
