

# 03.WORLD.AIDS.DAY

There will be 100 million people with HIV by the end of the decade. Yet the global AIDS epidemic is in its infancy.

**AIDS IS THE BIGGEST CRISIS IN HISTORY. YET PRESIDENT BUSH IS ACCELERATING THE PROBLEM.**

The week before World AIDS Day,

## DEMONSTRATE

**NOON • MON NOV 24 • WASHINGTON DC  
DEMAND WHITE HOUSE ACTION TO END THE GLOBAL AIDS CRISIS**

- \* demand full funding for AIDS drug assistance programs
- \* demand President Bush at least double support for Global AIDS programs
- \* demand trade policies that promote access to affordable generic medicine for developing countries
- \* demand science-based prevention policies that provide targeted assistance to vulnerable populations.
- \* demand full cancellation of the crushing debts of impoverished nations
